

YINGFENG CHEN

Tsinghua University, Beijing, China | Tel: +x xxxxxxxxxxxx | Email: xxxxxxxxxxxx@xxxxx.xxxxxxxxx.xxx.xx

EDUCATION

Tsinghua University

Weiyang College; Dual Bachelor in Mathematics & Physics + Interdisciplinary Engineering

- Electronic Engineering focus; **GPA: 3.9/4.0; Rank: 1/24.**

Expected Jun. 2028

Beijing, China

RESEARCH INTEREST

Interested in **embodied AI and robotics**, with preliminary research experience in representation and operator for object dynamic, dataset construction, benchmark evaluation, simulation environments, and model training for perception and reasoning tasks.

PUBLICATIONS

Rethinking Image Quality Assessment through Task Utility: Evidence from Generic VQA and UAV-view Embodied Perception

6th author | submitted to **EMNLP 2026**

- Contributed to academic writing, revision, and figure creation.

AirCopBench: A Benchmark for Multi-drone Collaborative Embodied Perception and Reasoning

5th Author | **AAAI 2026** Poster

- Constructed datasets and participated in benchmark testing efforts.

CityEQA: A Hierarchical LLM Agent on Embodied Question Answering Benchmark in City Space

6th Author | **EMNLP 2025** Main Conference

- Modified the embodied city simulator environment for perception tasks; participated in benchmark testing and evaluation of agent performance.

Psychology-driven LLM Agents for Explainable Panic Prediction on Social Media during Sudden Disaster Events

8th Author | **EMNLP 2025** Main Conference

- Conducted supplementary baseline experiments and collected additional data to validate key findings of the paper.

SKILLS

Programming: Python, C/C++

Hardware Design: Experience in hardware design and microcontroller development using Arduino and other embedded platforms

Simulation and Design: Unreal Engine simulation environment development, CAD design

Research Workflow: dataset construction, benchmark evaluation, model training, scientific plotting, data collation and analysis, academic paper writing

SELECTED HONORS AND AWARDS

Comprehensive Excellence Scholarship, Tsinghua University	2024 – 2025 Academic Year
Academic Excellence Scholarship, Tsinghua University	2024 – 2025 Academic Year
Hardware Design Competition, People's Livelihood Track, Third Prize	2025
"Weiyang City" Competition, Third Prize	2025
NOI Winter Camp Bronze Medal	2023
NOIP Provincial First Prize	2022

LEADERSHIP EXPERIENCE

Minister, Competition Division	Current
Weiyang College Student Science and Technology Association, Tsinghua University	
leader, Tracking Group	Current
Development Research Center, Tsinghua University Youth League Committee	
Core Member, Technical Team	Current
Shuimu College, Tsinghua University	
Core Member, External Relations Group	Current
Tsinghua University Student Union
